

無衝突礦產(衝突金屬)政策

遵循 RBA (Responsible Business Alliance) 和 GeSI (Global e-Sustainability Initiative) 對無衝突金屬的要求以及善盡企業社會責任，避免使用剛果及周邊國家之衝突金屬。

1. 不採購不使用衝突金屬。
2. 供應商如有使用來自衝突區域的衝突金屬或發現零(組)件或原材料含有衝突金屬，需主動告知飛宏公司，並提出改善方案。
3. 供應商如違反使用衝突金屬，除取消供應商資格外，並須負責飛宏所產生的一切損失。

Non-Conflict Mineral (conflict metals) Policy

To comply with the RBA (Responsible Business Alliance) and GeSI (Global e-Sustainability Initiative) requirements for the non-conflict mineral and corporate social responsibility, the usage of the conflict metals of the Democratic Republic of the Congo and its neighboring countries should be avoided:

1. Do not purchase, do not use the conflict metals.
2. Suppliers are subjected to inform Phihong initially if using the conflict metals or found conflict metals in the raw material, and to provide the proposal for improvement.
3. Suppliers who violate and use the conflict metals not only will be disqualified, but also held responsible for all the losses that Phihong may have due to this.
